Editor's note

Hello Hardwick, and welcome to your March instalment of Hardwick Happenings.

At the end of this month British Summer Time begins. Following the snow and icy temperatures we've experienced recently, let's hope we have something a little warmer in store!

The next issue of Hardwick Happenings is a double month issue, so please be sure to let us have information of forthcoming events in April and May. Also, remember this is a magazine to tell people about what is going on in Hardwick, so if you would like to write a small article about any club or event, please do so!

Clare

The copy deadline for the April/May issue is Thursday 14 March.

Hardwick WI

There was much laughter at our January meeting when we held a wine tasting evening. Jim from Majestic Wines came along and gave us an informative talk on the various wines he had bought along and explaining which of the cheeses we had provided for the evening went best with which wine. The evening was very social able and a thank you to the husbands who turned out to pick up their wives at short notice.

We decided as a WI to start walking which will start with local walks gradually building up to longer walks in the future. We are grateful to Ronnie for planning the routes etc. we will be taking starting in February.

Our committee have been busy and are organising trips to the theatre over the next few months as well as organising meals out for our dining out club.

If you would like to join us please do either by turning upon the night (we meet the third Wednesday of the month 7.45pm in the school or if you prefer contact myself Jane Giddings on 01954 211397.

March is the month for moonlit walks and maintenance with CambridgePPF

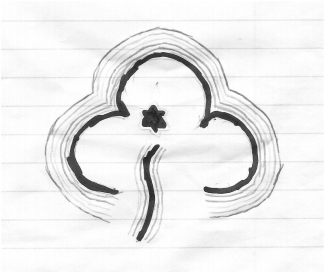

Local charity Cambridge Past, Present and Future (CambridgePPF) is welcoming the onset of spring this March with a varied calendar of events that will help everyone get more from the countryside. Coton Countryside Reserve will be centre stage for the weekend of 16 to 17 March as the ranger team – aided by volunteers – plant orchard trees and hedgerows to encourage wildlife. While over at Wandlebury, dare to join the charity for a night walk to see the park as nocturnal wildlife does.

- Orchard tree and hedge planting at Coton Countryside Reserve - Saturday 16th March: 11.00am – 3:30pm
- Guided walk around Coton Countryside Reserve - Sunday 17th March: 10am
- Night walk at Wandlebury - Wednesday 27th March: 9.00pm - 10.00pm
- Easter fun day at Wandlebury Country Park - Saturday 30th March: 11.00am - 3.00pm

Girlguiding

Hardwick Guides

Guides is really fun because we do many activities. We've been to a Gig, bowling, trips AROUND London and many more. We have been thinking about planning a trip to Disneyland Paris.

A couple of weeks ago we did henna in our patrols (groups). We are now doing a badge cooking, we make lots of different foods and they taste delicious.

You don't have to do these things there are a variety of different badges to do which include loads of fun things

Interested? Join us at Hardwick Hut on a Tuesday evening. You are welcome to come along.

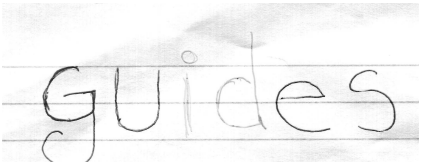

Our guide leaders are called Janet, Jane, Cara and Charlotte.

How Energy efficient is your home?

Hardwick Parish Council has joined the **S**ustainable **P**arish **E**nergy **P**artnership (SPEP) to encourage low carbon and sustainable living.

Borrow an Electricity Monitor

These devices allow you to see how much electricity you are using at any time which helps you to see which are the most energy hungry appliances in your home and how much electricity you are using when your house is just ticking over. We have a few monitors available for free loan to residents of Hardwick.

View your home through a thermal imaging camera

We will have the loan of a thermal imaging camera for the week beginning March 14th and can offer a limited number of home surveys. These will be carried out by volunteers from Hardwick and should show where heat is being lost from your home through poor insulation and badly fitting windows.

If you would like to borrow an electricity monitor or book a home survey with the thermal imaging camera, please contact Roger Worland, preferably by email at:

Roger.Worland@btinternet.com

Or by phone 01954 211218

If you are interested in the new **Green Deal** which was recently announced by the government, a member of the SPEP team at South Cambridgeshire District Council may be able to provide further information and advice see: www.spep.net

Royston Choral Society

Do you feel like giving your singing skills a work-out? Come and sing John Stainer's The Crucifixion in Royston Church of St John the Baptist on 2nd March. Royston Choral Society will be hosting the workshop from 1.30 pm, rehearsing from 2-4.30 with a break before the performance at 5 pm. Everybody is welcome -no experience needed! Participation is free for all.

For further information contact Heather Howard, telephone: 01763 249058 mobile: 07970739249.

Trading Standards: advice to help you to protect your money

With recent news of well-known high street retailers facing financial difficulty, you may be wondering what to do if goods you have paid for are not delivered or they are faulty and the company goes into administration.

Credit card purchases

When buying goods or services with a cash price of more than £100 but less than £30,000, it is advisable to pay for at least part of them with a credit card. That way, if the retailer is unable to deliver the goods or there is a fault with them, the card provider will be liable for the goods too.

Debit card purchases

If you pay by debit card, the provider (bank) or Visa/Mastercard terms may help with any claims you may have. However, unlike a credit card, this differs between providers so you should be clear about what assistance you will get for non-delivery or faulty goods. The card agreement will state any terms you need to meet for claims - such as timescales for reporting a breach of contract by the retailer and any evidence you must provide. If you meet the terms for making a claim but are unhappy with the card provider's response you should follow their own complaints procedure.

For both credit and debit card purchases, if you remain dissatisfied with the card provider's response you can raise the matter with the Financial Ombudsman Service (FOS) www.financial-ombudsman.org.uk who will decide if the complaint was valid and award damages if applicable.

Buying by PayPal

The same procedure for claims for debit card payments also applies to PayPal payments as, although PayPal aren't a bank, they are signed up to the FOS. Other money transfer services have similar terms to PayPal but may not be signed up to the FOS for dispute resolution. You are therefore advised to check their terms.

Cash or cheque

If buying goods by cash or cheque then unfortunately this is a case of 'buyer beware'.

Another common concern for consumers is the validity of gift cards or vouchers for a company that has entered administration. Unfortunately these are accepted only at the discretion of the administrators. There is no express right to use them - even though they are effectively cash.

For further advice contact the Citizens Advice Consumer Service: 08454 040506.

March bulletin from Cambridgeshire Fire & Rescue Service

There are a few messages the Service wants to remind residents of as we leave the winter months behind.

Get sweeping: Chimney's should be professionally swept and brickwork inspected at least once a year to prevent chimney fires. Our advice is to check yours before and after the winter period.

As the clocks go forward, push the button: Everyone should have a correctly fitted, working smoke alarm in their home. You should test it at least once a week by pushing the button. If you have forgotten to do yours recently, why not test it when you turn your clocks forward?

Easter school holidays: Arson can often increase during the school holidays. Stay vigilant, call 999 if you see a crime taking place and do not attempt to put the fire out yourself. If you are a parent, speak to your child about the dangers of playing with fire.

It's DIY time: We frequently receive an increase in calls relating to homeowners getting into accidents associated with DIY. These can involve electrical equipment which has been stored in a damp shed over the winter and heavy-duty garden equipment. Be careful, read the instructions and take expert advice from a DIY store.

For free home fire safety advice, log on to www.cambsfire.gov.uk. Like our fan page on Facebook by searching Cambridgeshire Fire and Rescue, and follow us on Twitter @cambsfrs.

To find out if you are eligible for a free home fire safety check, call 0800 917 99 94.

Exciting plans for the new Adult Education programme at Cambourne Village College are already under way ahead of the start of classes in September. But Adult Education Manager Diana Cook, who already runs the department at Comberton Village College, wants your help to ensure the range of courses and day schools meet the needs and desires of the local residents.

She is looking to provide a range of daytime, evening and weekend courses so if there is anything you would like to see, now is the time to get in touch. Equally, if you are a tutor and would like to hold a class at the new college, please get in touch either by e-mail to commed@comberton.cambs.sch.uk or by telephone on 01223 26472

The building work at Cambourne is continuing at speed and applications for places in Year 7 for the next academic year have been very strong. However, if there are any enquiries regarding admissions, including details of how to apply for a place, then please do not hesitate to contact the school by e-mailing head@cambournevc.org

Meanwhile, there is a full programme of events and activities at Comberton Village College. As well as the on-going Adult Education classes and courses, Comberton Sports and Arts also host a wide range of classes, events and entertainment.

Among those is an Auction of Promises in aid of the Comberton minibus appeal. This will be held on March 9th. If you would like to reserve a catalogue or are able to donate a promise of any kind then please contact the Friends of CVC Trust Fund at cvcfriends@gmail.com

Support and friendship for families

Home-Start Royston & South Cambridgeshire

are looking for Home Visiting Volunteers

Our volunteers are all parents or grandparents who can give a few hours a week to help families who are finding it difficult to cope.

All parents need emotional and practical help to get through the first few years, but not everyone has friends or family nearby.

This is when Home-Start volunteers can help!

The 10 Session training course for new volunteers will be held during April & May 2013
The course will be held from 9.30am - 2.30pm - dates to be confirmed.
