Editor's note

Welcome to the Summer edition of the Hardwick Happenings.

Unfortunately we have yet to find someone to take over the advertising role for the magazine. If we do not have a replacement, the magazine will cease to function. Please do get in touch if you think you could help.

On a cheerier note, the sun is shining as I type, so hopefully this continues and I wish you all an enjoyable summer.

The importance of sustaining a strong community

I was talking to a friend recently about the importance of strong community bonds. He is a vicar is south east London and since the killing of Drummer Lee Rigby has been involved in various local events designed to draw diverse people together in the wake of that awful act of violence and find a common interest in living lives of compassion, justice and peace. Many of us would endorse these values. But we can't grow or sustain a good common life without places to meet neighbours and friends. The churches here in Hardwick want to play their part in and for the good of our community, and in a small way we will over the next few months. This summer, the place to meet for coffee and cake with friends, or to make them, is the Summer Afternoons café, behind St Mary's near the play area on mid-week afternoons. And we are exploring the feasibility of a community café in the village once a month through the winter – if you are interested, do get in touch.

God bless

Alison

What happens when we live God's way? He brings gifts into our lives… things like affection for others, exuberance about life, serenity, …a willingness to stick with things, a sense of compassion in the heart, and a conviction that a basic holiness permeates things and people. Galatians 5:22

A New Community?

Do you live in Hardwick because you value the type of community feeling a village can generate?

Would you like to be part of an even more vibrant village community?

Do you know that Hardwick has a Community Association that has been meeting regularly in the School Community room since the School was opened in 1979?

If the answer to any of these questions is yes then please read on as your village needs you.

Hardwick Community Association has a long and strong history of helping new groups to grow and flourish and has primed many new clubs and societies financially over more than thirty years. However, there is a change ahead brought about by financial circumstances and you could be one of the people to help to make that change an affective and beneficial one for the village community.

A very brief history

The Community Association, set up in 1979, took over the running of the Community room built with locally raised money and attached to the, then, new school. As the room was owned by the community it, and the rest of the school, was used free of charge by local groups and let to other groups - the money raised going to the Association. It raised money through, for example, letting to

groups for fund raising, parties and wedding receptions. It also received a large annual sum from the County Community Education fund to cover the building's costs. The Association remit was to coordinate use of the building and its funds to benefit the village.

Over the last ten years there has been a change to school and community finances, however. The school is now responsible for the community building and has to raise money to cover the costs involved in community lettings. The school governors have kept the cost of hiring the school down to £6 an hour for local groups who are members of the Community Association, far below hiring charges of similar sized venues around the county. To be members of the Community Association, groups pay a small affiliation fee and send a representative to the two meetings per year held in the school.

The need for change?

The Association's purpose, however, was never just about how much money it raised and gave to groups. It was the forum enabling the organising of such events as the annual spring village clean up mornings. It was the organiser of the summer festival - the Hardwick Happening and it was the prime mover in many major fund raising village entertainments. Although there is now a thriving social club in the village, the Community Association is still the meeting point for the wider village community. It is the place where members of children's groups such as Brownies, preschools, Guides and sports clubs meet the likes of adult groups such as the gardening club, and both church groups.

Our twice yearly meetings are open to all village residents and it could be an ideal group to, once again, be the heart of the village**. At our next meeting I intend to outline, for discussion, options for its future development. If you're interested in the village and want to see what might be on offer do come along to the meeting in the School Community room on Thursday 26th September at 7pm. You will be most welcome.**

Hardwick Scout Group Family Camp: 4th – 6th May 2013

On the morning of Saturday 4 May, 27 families (with assorted Beavers, Cubs, Scouts and Explorer Scouts) left Hardwick and Caldecote bound north on the A11. Their destination was Two Mile Bottom Campsite at Thetford and their ambition was a weekend of camping, adventure and fun; and dare they dream of a bit of sun too?! Awaiting the families were the friendly faces of the Leaders and Committee alike (who had travelled up the previous night to set up camp) ready to help with the erecting of tents of all shapes and sizes. We soon had a colourful collection of tents pitched around the site. After all the families had arrived and all tents were pitched, we gathered around the flag for the Camp to be officially opened.

After a picnic lunch, with the sun shining one minute then showers the next, the activities began. We had the choice of archery, crate stacking, slack lining, lantern making, pioneering and the blindfold trail. Razz Wooldridge and the Explorer Scouts built a rope bridge and walkways with the pioneering poles and ropes, and the rest of us wandered around the other activities. The fact that the children were together with lots of friends and were able to play in the woods, their friend's tents or at football at the drop of a hat was a great freedom.

After a short interlude for afternoon tea and cake, it was back to the activities with the choice now between pioneering and crossbows (with the added incentive of having the chance to knock down tin cans with the leaders' faces on them; for some reason the Beaver leaders were very popular to knock down!). Also on offer were more lantern making, slack lining and gadget building…with some excellent gadgets being made like a washing up stand and a camp chair. Well done to our Explorer Scouts who ran this session.

After the second round of activities, it was time for dinner; no camp is complete without a barbeque over the camp fire, there was plenty of food (especially the couscous!). Once we had eaten heartily, there were a few wide games until it was dark. By now our plan had worked and the children were very tired!

The adults then had the chance to relax and chat around our camp fire while the children slept.

On Sunday, after a fairly cold night, we awoke to a dry warm day which would get hotter. After a cooked breakfast and a thought provoking Scout's Own ('thought for the day') written by Jane Humphries, we were ready to embark on our second day.

Activities on offer this morning were the 'Two Tyre Ravine' (a team-building activity) slack lining, cross-bows, pioneering and more lantern making.

After a picnic lunch, it was time for either an offsite hike for those feeling energetic, (it was becoming a very hot day), or for those who had brought their bikes - a cycle ride, and there were some water games for the children that stayed behind. There was also time to relax and chat to some friends, old or new.

Everyone was back in time for dinner which was gammon, potatoes, vegetables and more couscous!

After dinner and a couple of wide games, everyone gathered around the camp fire for our traditional sing-song lead by Mel and Richard Grenfell, and accompanied by guitar solos from Ben Campbell and Christian Cotton. Then it was marshmallow time, accompanied by Wassail (a traditional hot spiced fruit drink) and bed for the children while the adults stayed by the fire for more chat and relaxation.

On Monday, after yet another fairly cold night, we awoke to a lovely sunny day. Breakfast and flag break followed and then it was time for our last set of activities; the slack lining, crossbows and lanterns were still available, plus backwoods cooking (making beer bread on the fire). An obstacle course was built for some competitive games. The tug of war was very competitive between the adults and the children. Giant Jenga became an intense spectator sport, or if all that was too much some were just happy to sit and chat and enjoy the sun until lunchtime.

After lunch it was time to pack everything away and strike camp, with all the adults helping while the children played with their friends for the last time. We were finished in record time and gathered one last time around the flag to announce the results of our camp competitions and awards and a rendition of 'Happy Birthday' to Toby Hamilton. Then it was flag down and time to leave for home.

Back in Hardwick some met back at the Hut to unload the van and pack away everything, then for some it was a quick pint at the Social Club to chat about a great weekend.

This was another excellent family camp with something for everyone to enjoy and the opportunity for getting to know people better. The spirit of Scouting is alive and well and thriving in Hardwick!

Cambridgeshire County Council

Thank you for recycling

We would like to thank you and residents throughout Cambridgeshire for recycling 54% of your waste. This puts us well above the national average of 39% and on track to meeting our target of 60% by 2020.

You may have heard recent news of problems at the Mechanical Biological Treatment (MBT) plant in Waterbeach. This machine was built to separate and process 'black bag' waste in Cambridgeshire. When working, the plant pulls out items which can be processed to reduce the volume of waste sent to landfill by half, whilst also capturing greenhouse gas emissions. Unfortunately, part of the turning equipment for this machine suffered serious mechanical failure in September 2012.

Work is underway to manufacture the new parts required to rebuild the machinery and to prepare the plant for installation, which is due to be completed before the end of 2013. In the meantime we'd like to remind you that the breakdown at the MBT only affects how 'black bag' waste is dealt with. Therefore we urge you to continue to recycle as much as possible through your normal household recycling service, which is collected and processed in the usual way. Recycling as much as possible reduces both the amount of waste going to landfill and demand on natural resources.

We would like to reassure you that the PFI contract the County Council has in place with the MBT contractor means the authority, and therefore council tax payers are protected from any additional costs incurred because of the breakdown.

You can find out more about the Journey of Waste at the annual Recycling Open Day on Saturday 13 July from 10am to 4pm at AmeyCespa's Waterbeach site, just off the A10 between Cambridge and Ely. At the event you can take a guided coach tour of the site; join a walking tour of the new Materials Recycling Facility; enjoy plant and vehicle displays; find out how to reuse and recycle more of your waste and take part in activities for all the family. Entry is free.

If you would like more information about the MBT, please contact the AmeyCespa Press Office on 01865 713240 or email press.office@ameycespa.com. For more information about the Recycling Open Day phone 01223 861010 or visit www.recap.co.uk.

We were privileged to have Peter Pilbeam as our speaker in May who talked gave us a very informative talk on Badgers. Together with slides, models of a badgers burrow we learnt a lot from him and when out on our walks in future will know the signs that mean burrows are present.

During the course of June members visited Cambridge Regional College for an hour of luxury during which they received a manicure, pedicure or facial followed by an evening meal in the college's restaurant which was superb. I have to say the students in both departments' were very good and we look forward to a return visit in the future.

Over the summer months we will continue with our walking group, several members are also taking part in the Race for Life in July. Our darts team continue to thrive and hopefully will be in the finals at the end of July.

Our programme for the next few months is as follows:

June	–History and art of knotting	-	Wendy Smith
July	- WW11 spy talk	-	Clare Mulley
August	- Barbecue (members' night)	Held at member's house	
September	- What's that smell in the kitchen	-	Gerry Dodd

If you would like to join us please come along on the 3rd Wednesday of each month at 7.45 in the community room at Hardwick School we would love to see you or contact our President Jane on 01954 211397

Macmillan Cancer Support in Cambridgeshire

Every day in Cambridgeshire, 10 people are diagnosed with cancer. Macmillan Cancer Support are there to support people affected by cancer medically, emotionally, practically and financially. We are calling for people in Cambridgeshire to get involved, whether it's volunteering your time, finding out what's happening in your local community, organising your own event or simply making a donation please call us on 0300 1000 200 (Mon Fri 9am-5pm) or email fundraising@macmillan.org.uk to help us ensure no one faces cancer alone. If you, or a loved one is affected by cancer please call our free phone support line on 0808 808 00 00 (Mon-Fri 9am-8pm) or visit www.macmillan.org.uk

33rd HARDWICK ANNUAL VILLAGE SHOW

On behalf of the Hardwick Gardening Club Committee I am pleased to acknowledge sponsorship from the Hardwick Sports and Social Club, Hardwick Parish Council, local businesses and individual sponsors. The Hardwick Gardening club does **not** make any profit from running Hardwick Annual Village Show so all sponsorship is gratefully received.

I would also like to thank the Judges and helpers for their support and the Hardwick Guides for organising the refreshments.

Unfortunately, this year many of our regular entrants are unable to enter so we would like to encourage as many new entrants as possible.

Please remember it is a village show, we are not experts. Why not have a look around your garden, at your photographs and crafts or bake some cup cakes and you will probably be surprised at how many entries you can find. It may be that your exhibit is better than anyone else's and you end up with a prize.

Also please encourage your children (wouldn't they be pleased to win?)

The children's entries have been very low over the last few years and we have tried to choose new classes that would interest them.

The show is an open show which means anyone can enter so we are looking forward to receiving more entries and another successful show.

The schedules will be available in the Hardwick Village Shop and on line at

www.hardwickgardeningclub.btck.co.uk

Friends of Comberton Area Library report

Comberton Library now has upgraded computers and software. Documents may be printed out for a small fee. WiFi is due to be installed.

Comberton Parish Council has given a donation towards costs for the 2013 Summer Reading Challenge. The theme this year is Creepy House, illustrated by award winning Chris Riddell. Children from 4 to 11 can read whatever they like - fact books, joke books, picture books, and audio books - just as long as they are borrowed from the library. To complete the challenge children need to read (or have read to them) six books. 67 children registered on the Reading Challenge in 2012 so teenage volunteers would be welcome to

discuss reading with this year's entrants. Please contact library staff if you are interested

The Reading Group meets in Comberton Library on the first Wednesday of each month at 10.30.

The library has a box for magazine donations. Library at Home volunteers will take them to residential homes and sheltered accommodation. If you are interested in this role (previously called the Doorstep Service) please speak to library staff.

The Your Life, Your Choice roadshow with a range of leaflets on staying independent, safe and well is coming to Comberton Library between 3rd to 27th July.

Award winning website helps find equipment to assist you in maintaining your garden

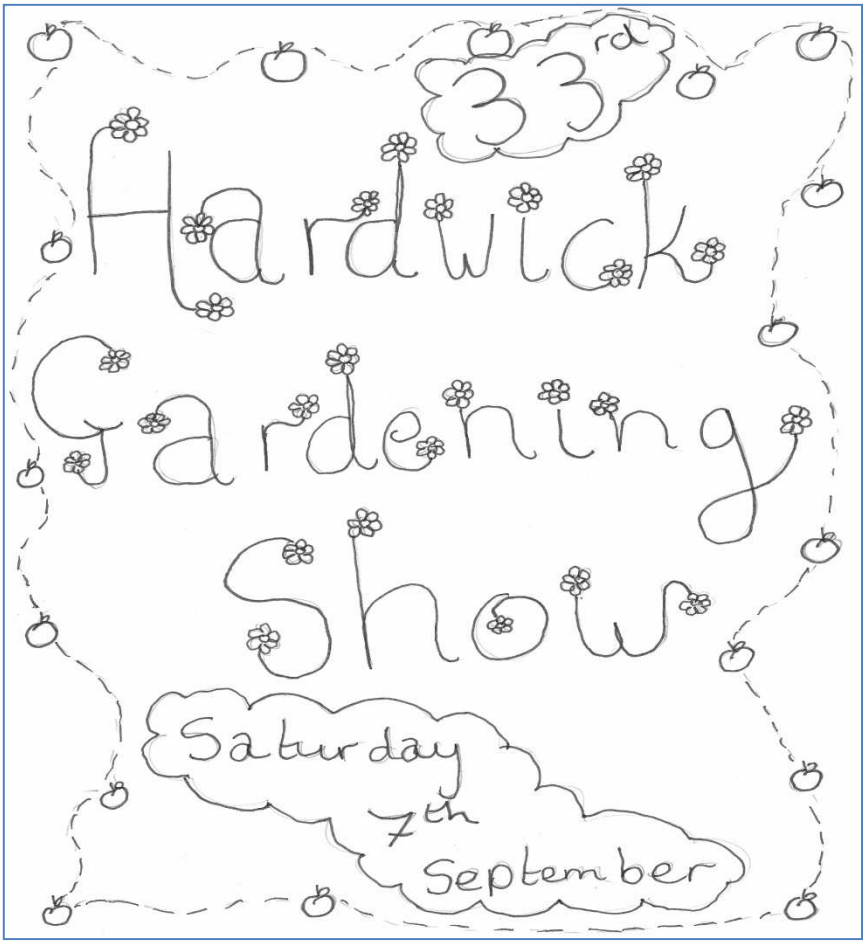

With the warmer weather finally here you may be thinking about getting out in your garden. If you are, an award-winning website can provide you with help and advice about the equipment available to make day-to-day tasks in the garden easier.

Help and support with day-to-day living

AskSARA has proved popular with local people since a Cambridgeshire version launched last year. So far it has helped nearly 4,000 people across the county access advice and information about the equipment and support available locally to help them remain independent and in their own homes. In addition to maintaining the garden and outdoors, a wide range of topics are covered from managing medication and eating healthily to equipment to aid hearing, personal care and household chores.

Whether you need advice for yourself or for a friend or relative that you care for, you can find out about the equipment available by visiting AskSARA at www.cambridgeshire.gov.uk/asksara. For anyone without access to, or not confident in using, the Internet the staff and volunteers in your local library can help you to find information.

July bulletin from Cambridgeshire Fire & Rescue Service

AS the sun (hopefully) starts shining, your local fire service is asking for community volunteers to step forward and champion fire safety.

Cambridgeshire Fire and Rescue Service has rolled out its Community Champion scheme across the county and would like volunteers in every district to get involved.

Community champions encourage local residents to carry out fire safety checks in their homes, visit community groups and educate about fire safety and escape plans.

Would you like to learn more about fire safety?

Could you help your community become a safer place?

Do you want to gain volunteer experience, get free training and make friends?

Anyone interested in becoming a Community Champion should call Ed Aniskowicz at Cambridgeshire Acre, which is running the scheme for the fire service. Call Ed on 01353 865038, email edward.aniskowicz@cambsacre.org.uk or log on to http://cambsfirechamps.org.uk/.
