

Food

The Cabin, main hall – hatch from kitchen:
Tea, coffee and cake

The camp fire:

Hot food is available between 12 and 2pm.
Using British seasonal produce, the team are preparing food that includes baked potatoes with various fillings, vegetable broth, and grilled seasonal vegetables.

There is no charge for the food but please make a donation if you are able.

Sunday, 5th September, 10am

Outdoor Church Service with an Eco theme organised jointly by the congregations of St Mary's and Hardwick Evangelical Church. Everyone welcome.

The Eco Event has been jointly organised by the Hardwick Climate Action Group, St Mary's and the Evangelical Church. We would like to thank everyone involved for their help and interest. Most of all, thank you for coming. We hope that our pledges and changes in behaviour will make a difference.

THE FUTURE DEPENDS ON US

Thanks to Postcode Places Trust grant for supporting this event.

HARDWICK ECO EVENT

SATURDAY 4th SEPTEMBER 2021

10.30am - 4pm

The Cabin, St Mary's Church
CB23 7QS

Welcome to the first eco event in Hardwick.
 The aim of the event is to highlight what can and must be done to help the environment and to show how each of us can do our bit to bring about meaningful reductions in carbon emissions through our own actions, locally, nationally and globally.

Seminars will be held in the church building:

11am – midday

- Nicola Terry – Transition Cambridge Energy Group.
Zero Carbon Heating: options for your home.
- Prof Peter Landshoff – Natural Cambridgeshire.
What can we do to help nature?
- Chris Fuller – Electric vehicles in Hardwick. Are they our hope for tackling climate change?
- Eddie Kehoe – Electric Bike Sales, Cambridge

- 12:30– 2:00pm*
- David Attenborough – Screening of ‘A Life on Our Planet’

- 2:30 – 3:45pm*
- Paul Wyer – Wildlife Trust. Wildlife around Hardwick.
- Patrick Gordon – Comberton Village College & plastic recycling
- Chris Rider – Getting the most out of solar panels
- Jane Heal – Cambridge Carbon Footprint. What is easy and what is difficult about reducing your carbon footprint?
- The Rev David Newton – Lordsbridge Team Churches.
Reaching heaven by being rooted in earth.

The stall venues:

- Car park:
Dr Bike – bring your bike for on the spot repair or service
Electric Bike Sales, Cambridge
‘Cycle from Pippins’ leave the car park at 11am
